With reference to the above Holiday Package I would like to thank Mr. Vilburn Rodrigues, he had put his best effort & continuous follow up with regards to Air Travel/ Hotel/Seating etc for us all.

We appreciate & acknowledge that our few days Holiday Trip was quite fantastic and unforgettable. Hotel was quite luxurious as well as being affordable.

I believe and trust it all happened because Mr. Rodrigues's commitment and effort. We had a wonderful time in Kuala Lumpur, Malaysia & would like to do the same next summer holiday.

We would like to introduce your company to our Management Team for future cooperation in Ticketing & Hotel Reservations as one of our preferred Vendors.
