Dear Hadi

IDEX 2011

I wanted to write and thank you for the excellent service your company provided to all of our exhibitors and visitors to IDEX 2011.

In addition you also provided the IDEX team with a superb service booking our flights, hotels and other requirements on our many visits to overseas defence show in support of IDEX.

We will be contacting you again shortly inviting you to once again tender for the Travel, Ticketing & Accommodation Services for IDEX 2013.

Once again many thanks for your tremendous support and please thank all your staff who were a pleasure to work with.

Kind regards

Paul Streeter
Deputy Director - IDEX
